CONECTOR – suction cup adapter

TRAVELER Suction Mount 1

- Simple installation on the interior side of the windscreen and on any smooth base
- Compact and folding – as a result, space-saving (glove compartment, briefcase, handbag, etc. are freed up)
- 4QuickFIX adapter system with integrated articulation mechanism and locking device for fixing the adjustment
- Device can be turned 360° and adjusted horizontally / vertically in the tilt angle from 60°
- Self-adhesive suction cup adapter CONECTOR for mounting on the instrument panel

Type-specific mounting shell for Samsung Galaxy Note

- The device can easily be inserted and locked in the mounting shell
- The mounting shell is adapted with millimeter precision to the shape of the Samsung Galaxy Note
- All plug connectors and controls are freely accessible
- Device and mounting shell can easily be removed from the Traveler suction mount 1 as a unit thanks to the 4QuickFix-Systems

4QuickFIX-Adapter system

- Easy, quick installation and removal of a device holder with HR 4-hole adapter system
- Press lateral mechanism and insert claws
- Integrated pressure springs lock the claws in the holder
